B O S T O N

Once the hub of Revolutionary War activity, Boston today is a mecca for American history lovers where historically significant sites such as Faneuil Hall and the Freedom Trail are steps away. With the Atlantic Ocean on two sides and the famous Charles River running at its back, the city is a center of commerce, culture, education and entertainment. Whale-watch, island-hop, sail or take a harbor cruise on the Charles River. The New England Aquarium and the Boston Marriott® Long Wharf are just one block away as is the symphony, Museum of Fine Arts and many theater productions. Enjoy a cultured dining experience in a city noted for its excellent seafood and traditional restaurants or explore the shops of Newbury Street, Copley Place/Prudential Center and Harvard Square in New England's most walkable city.
