Explore Hawaii in its most natural state. Take a guided boat tour, explore from the ground on horseback or all-terrain vehicle, or kayak through rainforests to catch an up-close view of magnificent waterfalls that plunge more than 125 feet. The island holds many treasures, including the fabled Na Pali Coast, a favorite backdrop for moviemakers and dreamers alike, along with the Waimea Canyon, the “Grand Canyon” of Hawaii. Surf, snorkel or simply stroll the shore and take in the view. And just when you think you’ve seen it all ... surprise! Another wonder awaits.
